

Conditions for admission to the doctoral study program Informatics

realized at Czech Technical University in Prague, Faculty of Information Technology (hereinafter the "Conditions").

1. Admission of applicants to the doctoral study program (hereinafter the "DSP") Informatics is governed by:
 - Act no. 111/1998 Coll. on Higher Education Institutions and on Amendments and Supplements to Some Other Acts (the Higher Education Act), as amended,
 - these Conditions and
 - Dean's Directive on the admission procedure to all forms of study in the Informatics doctoral study program at FIT CTU (hereinafter the "Directive").
2. This document specifies the conditions for admission to these forms of DSP Informatics: full-time study in Czech, part-time study in Czech, full-time study in English for self-funded students and part-time study in English for self-funded students.
3. Only candidates that have successfully completed a Master's degree program may be admitted to study in DSP.
4. The applicant is allowed to the admission procedure on the basis of his/her application. Details are given in the Directive. Details on the application and the deadline for applications are set out in the Directive.
5. Admission procedure for studies in DSP Informatics and conditions are announced by the Dean, usually twice a year in an appropriate time before the registration date for doctoral studies. Announcement of admission procedure details will be published on the official board of the Faculty.
6. Dean may announce an extraordinary term of admission for others interested in studying in DSP Informatics. Extraordinary announcement of dates including the conditions will be published on the official board of the Faculty.

doc. RNDr. Ing. Marcel Jiřina, Ph.D.
Dean
